Dear Josh:

At the recent faculty meeting we voted to recommend renewal of your appointment as a consulting professor for two years beginning Sept. 1, 1991.

I would like to take this opportunity to thank you, on behalf of the whole department for the time and energy that you have spent working for the betterment of our students' education. You are always welcome in our family, and I hope that your involvement will continue through the years.

Sincerely,

Jeffrey D. Ullman
Professor and Chairman

*Thank you
very much.*

*I'd be particularly eager to rotate
to any students who have
cross-over interests in molecular
biology.*
